* Day 355 Completes the plan. **The final 10 days are ideal for people who start the plan on January 1** and want to read for a complete year. The last 10 days are designed to be lighter reads (because Christmas is so busy) and there's an emphasis on the Christmas story on what would be Dec 24&25.

* Between days 173 & 174 you will start alternating between NT and OT readings. This will keep your readings interesting for the rest of the plan.

* Day 355 Completes the plan. **The final 10 days are ideal for people who start the plan on January 1** and want to read for a complete year. The last 10 days are designed to be lighter reads (because Christmas is so busy) and there's an emphasis on the Christmas story on what would be Dec 24&25.
